

TESTIMONY ON H.B. 6618

The use of Connecticut taxpayer funds to pay for ANY part of the cost of abortion services - INCLUDING lodging and tuition for out-of-state abortion seekers is WRONG and perhaps even illegal.

These are taxpayer dollars for use in services to CT residents NOT out of state people, and NOT illegal aliens.

This is one of the WORST uses for our tax dollars I have seen yet.

I am greatly opposed to this Bill. Please do not support it. Bury it.
